

Grow Your Own Gourmet and Medicinal Mushrooms

October 27, 2012, 10am-2pm
Old Courthouse, 9246 Lee Avenue
Manassas, VA 20110-5073

Mark Jones of Sharondale Farm offers an introduction to Kingdom Fungi:

- Mushroom biology and ecology
- Nutritional and medicinal value of mushrooms
- Simple methods for growing several species of mushrooms in your garden or backyard woods
- An introduction to fungi in agriculture
- The roles of mycorrhizal symbiosis with plants
- Use fungi for remediation of damaged ecosystems.
- Receive oyster mushroom spawn to grow at home

A locally grown lunch will be provided. There is a \$75 fee for this class. Receipt of payment secures your registration. Please use the registration form on the back of page.

Contact us if you have any questions 703-792-6285
jgraham@pwcgov.org

If you are a person with a disability and require any auxiliary aids, services or other accommodations to participate in any of these workshops, please notify Virginia Cooperative Extension at 703-792-6285/TDD PC 1-800-828-1120.

Class cancellations are determined by registrations and by the weather. This class will have a demonstration outdoors; please dress appropriately. Registration fee includes program materials, lunch and refreshments. Sorry, we cannot make refunds, but will allow substitutions. Space is limited so register early.

Please make sure when you register to include a daytime phone number so we can contact you if class is cancelled. Please return registration with payment to secure your spot.

\$75 per person; cash or check only, *payable to Treasurer, Virginia Tech* by October 24, 2012.

Mail to:

VCE Prince William, Attn: GROWING MUSHROOMS
8033 Ashton Ave, Suite 105, Manassas, VA 20109.

Your registration will be confirmed by email or phone.
